**COMMENTS:**

Application is deemed to have satisfied the company's Standard Terms and Conditions for an Electric Service:

1. Proof of legal occupancy has been established via presentation of a certified copy of transport, certified of title, lease and/or tenancy agreement
2. Proof of identification (Valid Passport, National identification Card)
3. A maximum of 60 feet of secondary cable is required from the customer a point of entry to the nearest secondary pole / connection point
4. The installed capacity does not exceed 60 amperes (as noted on Certificate of Inspection provided by the applicant); otherwise an investigation will be conducted to determine the network capacity.

Note: Should subsequent investigations by the company reveal any amounts owing from previous or existing electricity accounts, the company reserves the right to transfer these amounts to the this account

I wish to apply for a supply of Electricity in accordance with the Company's Standard Terms and Conditions for Electricity Supply and I accept these conditions specified
